### **Call to Order** – Chris Scott

### **Coach's Comments** – Head Coach Mike Picetti

- We have 105 kids playing football from Freshman to Senior. We have gained 28 kids since last year.
- Averaging 68-75 kids per day for June which is great
- We had 53 kids averaging 85% or higher in the off season weight room!
- We are planning to run new offense this year with the same defense. We have been able to spend some time on the offense last week due to Ohio changing their 10 day rule this year.
- We FINALLY have our 45# plates!
- We should be able to open our locker room in the next couple of weeks.

### **CARDS, Inc.** (Chris Scott)

- Concessions
  - Big changes this year! We have to buy, stock, inventory, and store all the products we will sell instead of buying through Cards Inc
  - Plan to have a cashless option this year- suggested a \$5 minimum but that has yet to be set
  - 10% gross sales goes back to Cards Inc to cover building, maintenance, and equipment

### **Treasurer's Report** – Melissa Lacher

- We discussed the 60 day forecast

### **New Business** – All

- **Social Media-** We have found that there are 2 FB groups, Touchdown club and a Football page. We also have a Twitter account.

- It was determined that we should have a social media committee and Chris Llewellyn and Melissa Watkins volunteered
- They will look into the FB pages and see if we can figure out what is going on with the two pages and who has access or updates the other page
- **Website updates-** Some of the upcoming events are not on the calendar. Deb will update the information tomorrow once she has the missing information
  - July Touchdown Club meeting- need to confirm we will have a meeting due to the mandatory parents meeting the following week
- **Summer Camps-** We need to continue to get the word out. We are looking for pizza and possibly DQ for the final night at the youth camp. Melissa said she may have a sponsor for the t-shirts.
